

Pink Digs for the Cure

September 20, 2009

Community Neighbor:

We are fighting breast cancer through our community sports programs. Your Ignacio Volleycats, Bayfield Wolverines, Fort Lewis College Lady Skyhawks Volleyball Programs, and BP America, proudly present the 3rd Annual **Pink Digs for the Cure!** We are teaming to earn \$20,000, toward Emergency Fund Scholarships for local, in-treatment breast cancer patients, through our local Women's Health Coalition of Southwest Colorado.

Pink Digs for the Cure offers our IHS, BHS, and FLC Student-Athletes the greater lessons of community contribution, while participating in their volleyball program. On Saturday, October 17, 2009, Fort Lewis College Athletics will host Pink Digs 2009! In two volleyball matches, we intend to earn over 75 digs. You can sponsor these digs through our Pink - Bronze - Silver - Gold -Platinum [Matching Fund] Sponsorship Packages, all of which are tax deductible.

We will honor your sponsorship center court at the Fort Lewis College Whalen Gymnasium, the evening of the event. Pink Digs for the Cure is a highly visible, intercommunity benefit, of which you can be very proud. There, you will celebrate courage along side breast cancer survivors, community partners, and our volleyball teams, families, and fans.

On behalf of your community Volleyball Programs, we thank you for your commitment to local community needs. We hope to visit with you about joining Pink Digs 2009, as our valued partner. We also hope to see you court side, October 17th, in celebration of courage.
